## ORDERS IN COUNCIL.

GOVERNMENT HOUSE, VICTORIA.

22nd December, 1896.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR  
IN COUNCIL.

WHEREAS a communication dated the 2nd of December, instant, addressed to the Honourable the Minister of Mines, has been received from the Secretary of the Nanaimo and Rossland Mining Company, reporting that some time ago the said Company acquired the title to three adjoining mineral claims in the Rossland District, known as the "White Elephant," "Louise," and "Isabel," and

Whereas under section 24 of the "Mineral Act, 1896," the said Company made application to the Gold Commissioner for the aforesaid district, to be allowed to perform on any one or more of such claims all the work required to entitle them to a certificate for work for each claim so held by them; and

Whereas the requisite permission having been granted the Company proceeded with the work, and during the past eighteen months expended in sinking shafts and running tunnels on the said properties, the sum of \$3,000; and

Whereas the Company having performed sufficient development work on the claims in question, required by sub-section (a) of section 36 of the said Act, to entitle them to a Certificate of Improvements in respect of such claims, had the claims surveyed when it was discovered that one claim of the "White Elephant" group exceeded the legal 1,500 feet by 300 feet, and

Whereas the 300 feet was then taken possession of by the said Company, who now are, and have been since that time, the only owners of the excess; and

Whereas it appears that the principal part of the money spent by the Company in developing the group of claims was expended on the 300 feet; and

Whereas an application to the Gold Commissioner for a Certificate of Improvements, was refused upon the ground that the assessment work was done upon the excess, and not upon any of the group; and

Whereas the Nanaimo and Rossland Mining Company appear to have acted in good faith, and have in reality expended upon one of the contiguous claims an amount in excess of the sum required to be expended in order to obtain a Crown Grant of the whole of the four claims;

Now, therefore, His Honour the Lieutenant-Governor, by and with the advice of His Executive Council, and under the authority conferred on him by section 161 of the "Mineral Act, 1896," to make such orders as are deemed necessary to meet the cases which may arise and for which no provision is made in the said Act, has been pleased to authorise, and does hereby authorise, the Gold Commissioner for the southern portion of the West Kootenay Electoral District, to issue to the aforementioned Company a Certificate of Improvements in respect of the adjoining mineral claims known as the "White Elephant," "Louise," and "Isabel" claims.

JAMES BAKER,  
Clerk, Executive Council.
